

## Post conference Development Workshops: Oct 27-29

The BCFPHSC is leading the post-conference development sessions with 3 days of courses.

### Oct 27

- **Synergy Workshop Taster Session**

Explore the benefits of the innovative Synergy Safety Network and gain free access to the online Synergy Forum for three months. This is a perfect opportunity to share best practices with peers and establish valuable working relationships with like-minded organizations.

**Great value at only \$399.**

### Oct 27

- **Occupational Safety Leadership I: Fundamental Principles of Occupational Health & Safety Management Systems and Legislation**

1 day: **\$249** (no pre-requisite)

### Oct 28

- **Occupational Safety Leadership II: Hazard Identification and Control**

1 day: **\$249** (no pre-requisite)

### Oct 29

- **Occupational Safety Leadership III: Accident/Incident Investigation and the investigative role of Managers and Supervisors**

1 day: **\$249** (no pre-requisite)

**Attend all three Leadership series courses for only \$640.**

**(3 days: Oct 27 to Oct 29): Save over \$100.**
